

Irish Liberty Mass Meeting.
With the avowed purpose of requesting President Wilson and Congress to demand that England shall grant complete national independence to Ireland, a mass meeting will be held to-night at Terrace Garden, Fifty-eighth Street, near Third Avenue, by the United Irish-American societies of this city. It is expected to induce the demand of the recent Dublin convention for absolute freedom of Ireland. Prominent speakers will address the meeting.

CRISIS OF WOMAN'S LIFE

Change Safely Passed by Taking Lydia E. Pinkham's Vegetable Compound.

"I never get tired of praising Lydia E. Pinkham's Vegetable Compound because during Change of Life I was in bed two years and had two operations, but all the doctors and operations did me no good, and I would have been in my grave to-day had it not been for Lydia E. Pinkham's Vegetable Compound."—Mrs. VIOLA FINICAL, Wagoner, Okla.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women. Lydia E. Pinkham's Vegetable Compound has carried many women safely through the crisis.—Advt.

EVENING WORLD'S BIG AMERICANIZATION WEEK WILL BEGIN TO-NIGHT

Crowds of 50,000 to 75,000 People Expected Nightly in East Side Parks.

To-night at Seward Park The Evening World will begin a week of patriotic demonstrations on the east side with which it will close, for the present, its five months' campaign for Americanization conducted by The Evening World Forum. From all indications the biggest crowds in the history of east side celebrations will attend. The parks at which they will be held are among the biggest in the city and will give ample opportunity for an outpouring of from 50,000 to 75,000 every night. All the parks will be illuminated and the houses in the neighborhood of the parks will be decorated. There will be two and three bands at each park, popular speakers, choruses of school children, boy scouts, local civic organizations, home defense leagues—every body and every association vitally interested in the Americanization movement.

Every night there will be some special feature. The city, through its respective officials and departments, has heartily entered into the spirit of this big wind-up week, which will be brought to a close Saturday night at Hamilton Fish Park with a demonstration of unusual attractiveness. Justice Aaron J. Levy will preside to-night at Seward Park. Hester and Essex Streets. The speakers list includes the Justice, Borough President Marks, Park Commissioner Ward and Civil Service Commissioner Moskowitz.

The illumination of the Park is under the direction of the Edison Company and Commissioner Williams of the Department of Gas and Electricity. Supervisor Lee of the recreation centres is in charge of the lights to be given by the school children.

A detachment of sailors from the French warships will be present. There will be drill by the American Junior Naval and Marine Scouts under Gen. Bode. The music will be furnished by the Borough Band and the Naval Scout Band. Here is the programme for the week:

To-night and to-morrow night, Seward Park, Hester and Essex Streets, at 8 P. M.

Wednesday and Thursday nights, May 16 and 17, at Tompkins Square Park, Avenue C and Seventh Street, Friday and Saturday nights, May 18 and 19, at Hamilton Fish Park, Avenue C, between Stanton and Houston Streets, same hour.

THE MAGIC FLUID

Few drops and corns or calluses loosen and lift off with fingers. No pain!

The world owes thanks to the genius in Cincinnati who discovered frezone, the new ether drug.

Tiny bottles of the magic fluid can now be had at any drug store for a few cents. You simply apply a few drops of this frezone upon a tender, aching corn or a hardened callus. Instantly the soreness disappears and shortly you will find the corn or callus so loose and shriveled that you lift it off with the fingers. Not a bit of pain or soreness is felt when applying frezone or afterwards. It doesn't even irritate the skin or flesh.

For a few cents one can now get rid of every hard corn, soft corn, or corn between the toes, as well as painful calluses on bottom of feet. Every one who tries frezone becomes an enthusiast, because it really doesn't hurt or pain one particle. Genuine frezone has a yellow label. Look for yellow label.—Advt.
